Reviewers

A rigorous double-blind refereeing process was undertaken by an international panel of referees as shown below. The task of a reviewer is often a thankless task, however, without them this conference would not be possible. The ISSA Organising Committee would like to extend their heartfelt thanks to the following reviewers whom include leading information security experts from around the world:

Name	Company/Affiliation	Country	
Hanifa Abdullah	University of South Africa	South Africa	
Mary Adedayo	University of Pretoria	South Africa
